\*\*Payment plans may be available, please email if  
interested!

*Learn the basics of how to set up, weave on, and  
experiment with a backstrap loom!  
The class will also go over finishing techniques, various  
imagery & pattern structures, and discuss dye processes.*

*This course will be process focused and collaborative in  
approach.*

*Geared towards novices to weaving  
and/or the backstrap loom.*

*Open to the public though priority will be given to those  
also accompanying the Asheville Sister Cities delegation to  
San Cristobal this May!  
ask for details if you're curious about joining along!*
