

Earth Day Celebration at Hickory Nut Gap Farm Saturday, April 25, 2020

Hickory Nut Farm is looking for volunteers from the WNCFHG to come celebrate Earth Day and demonstrate working with natural fibers , ie., wools, cotton, flax, etc. It would be a relaxed demo with spinning, carding, weaving, felting.

If anyone has a board of different types of sheep wools or plant based fibers it would be fun to have for display.

They would like WNCFHG information table with samples of yarns and woven or felted items.

They will offer a FREE lunch for all volunteers and make a monetary donation to the WNCFHG

Contact info is Megan Auten, Events Manager,
Hickory Nut Gap Farm, 57 Sugar Hollow Road,
Fairview, NC 28730. 828-628-1027, ext 103
